

THE BROADDUS BUZZ

Week of April 15, 2024

4th GRADE NEWS

Parents,

The eclipse was an exciting event! I have included some pictures from that day.

The day is finally here! Our Jefferson City trip is Tuesday, April 16. Please look at the schedule I attached to the email and read page 2 of the newsletter for some important information. Students may bring electronic devices along to play on the bus. They may bring something else like a book to pass the time. These items will be left on the bus during the day. I have been talking with the students about their behavior on the trip. *Please have this discussion at home as well.* We will be in public places with other people and have to be respectful. It will be a great day!

Be watching the planners and website for due dates regarding the Famous Missourian Scrapbook. A rough draft of the assignment will be due, and then the students can continue on to the final copy of each item.

Mid quarter grades will be sent home on the week of Monday, April 17.

Have a great weekend!
Mrs. Broaddus

MATH

We are studying area and perimeter. We will review on Monday and Wednesday, and take the **Ch. 13 Test** on Thursday, April 18.
