

## THE BROADDUS BUZZ

Week of April 8, 2024

### 4TH GRADE NEWS

Parents,

Our Jefferson City trip is April 16! Please note we will load the bus at 6:30 a.m. We will get situated, take roll, and then pull out of the circle drive at 6:45 a.m. I will send some important tips and reminders the week of April 15! Also, be locating the class t-shirt—we will wear it for the trip!

Have a great week!  
Mrs. Broaddus

### MATH

We are starting Ch. 13 covering perimeter and area. This is a short chapter, so the test will be the week of April 15.

# READING AND WRITING

In reading we will continue working in book clubs. The students are reading, discussing, identifying cause/effect, and sharing NF text features from their books. We finished reading *The Journey– Stories of Migration*, and now the students are writing movie pitches about an animal's migration experience. We hope to finish these by the end of the week.

In writing we are working on animal research. We are focusing on the following skills: complete sentences, transition words, adjectives, and introducing each paragraph. Several students have shown me their drawing or printed picture of an animal—keep them coming! Send those to school this week.

# SOCIAL STUDIES

Our next Current Event is April 22!!

We have started researching our Famous Missourians. We have several resources from the library and will use online resources to find information. The students are welcome to look for books or other sources that may help them with research.

\*Rough draft of timeline due April 10

\*Rough draft of journal entries due April 17 (lesson April 10)

\*3-5 pictures (printed) with captions (written) due April 19 (lesson/directions April 15)

# SPELLING

We are completing Unit 8, Part 3 this week. The workbook pages are due Friday and the tests are Friday.

We are still working on completing the whole assignment correctly and neatly. Please look over your child's workbook each Wednesday when they bring it home.
